

## INDONESIA VILLA - Villa Sepoi Sepoi

### **Villa Sepoi Sepoi (Indonesia, Lombok)**

Arriving at Sepoi Sepoi's gorgeous Sira Beach the staff, who were excellent throughout our stay, were on the beach to carry bags, which was a relief as the villa is spread out. Staying in the company of 5 adults and 4 children, we found that the villa worked a treat. While we lazed poolside, beach combed, or enjoyed a massage (best in the bale) the kids were off waterskiing, bicycling, and board gaming and more toys (kayaks, a trampoline and tree house) are planned. The food was superb - on our last night we were treated to roast beef with Yorkshire pud! Our favourite for after dinner was retreating to the living pavilion to watch movies on the big projector screen. Sepoi Sepoi is a tropical success - especially for families. *(Review date: 24 Jun 2009).*
